Celebrating Earth Day the 22nd

Important Info!

- With our preschool year coming to a close, we are planning a picnic on June 4 , 2021. This is a lunch for the children only, we are hoping for a nice day so we can all eat outside! Summer activities will start the following week.
- Once summer starts, Wednesdays are water day 😊 /weather permitting
- Please take a minute and check the snack calendar posted outside your child's classroom. On this day you bring snack for the class and your child's choice for show and tell.
- Don't forget to empty your child's cubbie/locker each week.
