

Terry Matlock Preschool

A Note From Michele Hammond

Welcome to our Fine Arts Daycare and Preschool! The first few weeks of school are a transition period for your children, during this transitional period I will make sure your child has been placed in the correct classroom for their abilities (socially, emotionally and developmentally).

We need **health forms** back as soon as possible! Lastly, there is a semester supply fee that is **due on September 15** of \$100.00 and **again in January**.

If you have any questions, please ask ☺

Important Information!

The structure of our preschool program can be an adjustment for your children. Please be prompt! Preschool Activities start at 9:00 AM.

Outside each classroom is a **sign up** sheet for snack day (all snacks **MUST** be store bought). Once signed up, your child becomes Special Person for that day! They can bring in a show and tell item to share at group time. This is the **only** time your child needs to bring anything extra to school! **Naptime:** Please scale down blankets and pillows, travel pillows fit nicely in cubbies and lockers as well as small blankets. Parking can be congested, especially at pick up time, please park in designated areas only; for your child's safety as well as your own! Our menu is posted on our website as well as the monthly newsletter.

Things we learn during the day ☺

Skills we work on are recognition of colors as well as the color word, patterning and shape sizes. We trace, cut and glue which are all important skills. They are also developmental steps to printing.

We are looking forward to a year filled with learning and enjoyment! If you have any questions concerning your child please feel free to call!
